## Admission to Orangeburg Prep

Orangeburg Preparatory Schools, Inc. (OPS) admits students of any race, color, and national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of the school. OPS reserves the right to refuse enrollment to any student applicant who does not meet the enrollment requirement of the school. Because class sizes are limited and the program is advanced, admission to OPS is competitive. Admission to OPS is contingent upon satisfactory review of previous academic and discipline records. After review, an applicant may be asked to complete an entrance exam consisting of reading comprehension, math concepts, and language skills. OPS best serves those students who are prepared and motivated to meet the requirements of a college preparatory environment. *Copies of the following documents MUST accompany this application to be considered for acceptance: Birth Certificate, SC DHEC Immunization Record, and previous school transcripts. A non-refundable \$150 application fee is required for all applicants.*

Please mail or deliver this application and the above mentioned documents along with your \$150 non-refundable application fee to the attention of Monica McElhone, Admissions / Marketing Director for OPS.

Neither submitting nor receiving an application constitutes a commitment by either OPS or the undersigned. It is understood that parents or guardians assume the responsibility for payment of all fees applicable each year their child is enrolled. The signature below also certifies that the applicant is of good character and agrees to abide by the regulations of OPS and to uphold its Honor Code.
