**ORANGEBURG PREPARATORY SCHOOLS, INC.**  
**POLICIES OF THE ATHLETIC DEPARTMENT 2017-2018**

ORANGEBURG PREP'S PHILOSOPHY FOR THE STUDENT ATHLETE IS:

1. Participation in student athletics should be a time to learn and grow while developing a winning attitude.
2. Athletes should learn to set attainable individual and team goals.
3. Athletes should learn the importance of good play and sportsmanship.

*The following policies have been established to help make better student athletes. Student athletes are those participating in all organized sports and cheerleaders. Being a student athlete is in addition to their academic responsibility.*

**PERSONAL CONDUCT**

1. Athletes are to be courteous to and cooperative with all teachers and administrators. Any athlete who shows disrespect to any coach will be reprimanded by the individual coach or Athletic Director (could lead to expulsion from the team).
2. Athletes will display good sportsmanship and courtesy to opponents and officials.
3. Profanity will not be condoned.
4. Athletes will always display proper behavior.
5. All teams are responsible for cleaning dressing rooms, tables at eating places, and vehicles used for transportation when they return. The coach accompanying the student athletes is responsible for carrying this out.
6. Any violation of a major infraction listed in the Student Handbook may be reason for expulsion from that sport.
7. Be early for all practices, meetings, and games.
8. Initiations or hazing will not be tolerated.

## PERSONAL APPEARANCE

1. Neatness and cleanliness should be displayed at all times. Boys should be clean shaven. Boys' hair must be in compliance with school dress code policy.
2. Read and abide by the OPS Handbook on dress code.
3. Dress for games:
  - a. Basketball: Boys wear a tie either with a sweater or sport coat. No caps or hats. Girls wear skirts or dress slacks. Skirt length should be in compliance with the OPS Student Handbook. This applies to all games, home or away.
  - b. Other Sports: Accepted attire of the sport in keeping with OPS dress code. Approved by the coaches and administration.

## TRAINING RULES

Coaches will set individual training rules that are in force 24 hours a day, 7 days a week, during the entire season of the sport in which the student athlete is participating.

## PRACTICE SCHEDULE

1. Coaches will set the times for practice and will notify student athletes ahead of time. Weather conditions may call for flexibility.
2. Practices will be held Monday through Friday. Saturday and Sunday practices will be held only for special reasons and with prior notice.

## MISSING PRACTICES

1. Any student athlete who cannot attend practice or a game must notify the coach in person, by note, or by a phone call. Practice can only be missed with permission from a coach or a doctor. Missing practices may cause an athlete not to play in games.
2. A student athlete must attend practice to observe even though he may not be able to participate unless excused by a coach, physician, or parent. (Example: a student athlete with a broken arm can still review films, observe plays, and participate in skull sessions). However, a student who is too sick to attend school, or who has a contagious illness, should not attend practice. This should be discussed with your coach.

3. If requested by the head coach, athletes will be expected to make up all missed practices. These practices will include all fundamental work and conditioning that was missed.
4. A student athlete who has been injured and/or under a physician's care must bring a statement from the physician that the student athlete is ready to return to practice and/or game participation. Any limiting condition must be clearly stated in the letter. This is for the protection of the student athlete.

**DEFINITION OF EXCUSED:**

*Sick with doctor's excuse, death in family,  
or an extreme emergency. Please notify coach.*

**TRAVEL**

1. All teams will travel together. This means ALL STUDENT ATHLETES go with the team and come back with the team unless permission to deviate is requested IN WRITING ahead of time and is approved by the coach. Extenuating circumstances may require a student athlete to return with his parents. No student athlete may ride home with a parent of someone else unless it is an emergency, approved by the athlete's parent, and/or approved by the coach.

**ELIGIBILITY**

1. A student has a responsibility to himself/herself and to the team to keep his/her grades academically acceptable.
  - a. A student must be passing all subjects.
  - b. A student cannot be on probation for a major disciplinary infraction or its equivalent.
  - c. A student is required to be in school a minimum of 200 minutes of the school day if they wish to participate in a game or practice.
  - d. Eligibility will be determined at the end of each quarter.
  - e. Eligibility is to be declared on the fourth (4<sup>th</sup>) school day after the end of the marking period. A student shall become eligible or ineligible at

12:01 AM on the fourth school day after the end of the marking period. Example 1: The marking period ends on Friday. Student X becomes eligible or ineligible at 12:01 AM on Thursday. Example 2: The marking period ends on a Monday and Tuesday is a holiday for students. Student Y becomes eligible or ineligible at 12:01 AM on the following Monday.

- f. The yearly grade is considered composite and conclusive and therefore overrides any quarterly grades. First semester grades do not override the second quarter grades unless the course is a semester or ½ credit courses.
  - g. A student who is ineligible for athletic activities may not practice, travel, or in any way participate in those activities during the period of ineligibility.
  - h. Additional rules for athletics are found in the South Carolina Independent Schools Association (SCISA) Blue Book. This may be viewed at [www.scisa.org](http://www.scisa.org). Where Orangeburg Prep's rules are more stringent, the school's rules will prevail.
2. Athletes may participate in two sports in the school season. An athlete cannot join a sport after a season starts without the approval of the Athletic Director. Any athlete wishing to play two sports must get the approval of both coaches and of the Athletic Director.
3. If a student quits or is dismissed from a team, he/she cannot participate in another sport until the season is completed of the sport which he/she quit or were dismissed.

## LETTERING

All Sports: The participants must finish the season, do all that is asked by the coach, and cause no serious discipline problems. Lettering is reserved for varsity sports and is at the discretion of each head coach and/or Athletic Director.

# Emergency Action Plan

## Orangeburg Preparatory School

Emergency situations may arise at anytime during an athletic event. Expedient action must be taken in order to provide the best possible care to the athletes of emergency and/or life threatening conditions. The development and implementation of an emergency action plan will help ensure that the best care will be provided. The following is the emergency action plan for all Orangeburg Preparatory School event and activities.

A serious injury is any condition whereby the athlete's life may be in danger or risks permanent impairment. These injuries include but are not limited to: cervical spine injuries, head injuries, internal injuries, loss of limb, serious bleeding, shock, serious fractures, heat stress, and cardiovascular arrest.

### Emergency Personnel:

- NATA Certified and South Carolina Licensed Athletic Trainer
  - Emergency Medical System available by call 911
  - Athletic Training Student Aides on site at practices and competitions
  - Coaches on site at practices and competitions
- \*\* The type and degree of athletic training coverage for an athletic event may vary widely, based on such factors as the sport or activity, the setting, and the type of training or competition. The first responder in some instances may be a student athletic training aide, coach or institution personnel.

### Emergency Personnel Roles:

- Certified Athletic Trainer: immediate care of injured athlete
- EMS (upon arrival): immediate care of injured athlete
- Athletic Director or School Administrator: locate/call parents, document incident and actions taken
- Head Coach: calls 911
- Assistant Coach: crowd control (limit scene to first aid providers and move bystanders away from the area). In the absence of student aides, assistant coach will gather emergency equipment and meet EMS.
- Athletic Training Student Aide: gathers emergency equipment/meets and directs EMS.

### **Emergency Communication:**

Via cellular phones. Cellular phone will be on site with athletic trainer during practices and events. This communication system should be checked prior to each practice or competition to ensure proper working order.

### **Emergency Numbers:**

Certified Athletic Trainer: \_\_\_\_\_

EMS: 911      Hospital: The Regional Medical Center (803)395-2200

Palmetto Health Orthopedics: Jason Wimberly 803-521-4924    Clinic 803-296-9200

### **Emergency Equipment and Location:**

- AED, cervical collar, splints, crutches, athletic training kit, OSHA materials on field/gymnasium with ATC
- Each team should have emergency information forms for each athlete listing family phone numbers, insurance information, special instructions, and who to contact if parents/guardians are unavailable.
- It is the primary responsibility of the athlete to have his/her appropriate medical devices (albuterol inhalers, etc.)

### **Emergency Transportation:**

#### **1. Immediate care of the injured or ill student athlete.**

- a. Check ABC's, severe bleeding, and levels on consciousness
- b. Begin rescue breathing/CPR if needed or necessary first aid care
- c. Send athletic training student aide to gather necessary emergency equipment.  
NOTE: If splinting not possible, stabilize and comfort athlete until EMS arrives.  
NOTE: If cervical injury is suspected and individual is breathing and/or conscious, instruct victim to remain motionless until more qualified personnel (ATC, EMS) arrive.

#### **2. Activation of Emergency Medical System (EMS)**

- a. Call 911
- b. Name of individual making the call
- c. Give telephone number (cell phone number)
- d. Number of injured athletes
- e. Condition of injured athlete
- f. First aid treatment being given
- g. Specific location of emergency. See venue directions, include street names and how to enter sites.
- h. Other information as requested

#### **3. Direction of EMS to scene**

- a. Ensure gates are open
- b. Flag down EMS and direct to scene

### **Venue directions for emergencies:**
