- Nausea

Quarantine
(3 case
scenarios)

If you have tested positive for
COVID-19

Vaccinated and Non-Vaccinated

Isolate for 10 days and until fever-free for 24 hours without medication.

Quarantine

If you have been exposed to a positive COVID-19 case

Vaccinated

Asymptomatic: NO quarantine

Symptomatic: Get tested (PCR not OTC - over the counter) and quarantine accordingly (depends on test results)

Non-Vaccinated

Quarantine and may return to school on day 7 with a negative test on day 5, or after, and symptom-free. Without testing, may return to school 10 days after exposure and no symptoms.

Quarantine

Experiencing COVID-like symptoms with or without fever, new/persistent cough, loss of taste/smell or difficulty breathing

Vaccinated and Non-Vaccinated

Get tested (PCR not OTC – over the counter) and quarantine accordingly (depends of test results)

Virtual Learning

- Virtual Learning will only be provided for those students who are in quarantine due to COVID-19.
- It will officially begin on Monday, August 30th but I have asked our faculty to begin as soon as possible. Have your student(s) check their emails and google classroom frequently.

Masks

- **At this time, masks are mandatory.**
- **Administration will re-evaluate this policy every 30-45 days.**
