Parents of Middle School Students

The Physical Education Department REQUIRES students to wear uniforms during PE classes in order to keep our students in compliance with the school's dress code. Sixth and seventh graders attend PE twice a week and will be required to wear their uniforms on PE day. The eighth graders attend PE daily and will be required to wear their uniforms each day. The eighth graders have lockers where they can store their uniforms if needed. The eighth graders will only be required to purchase one uniform. Your child is allowed to use the uniforms they already have. Please keep in mind that a student may only be excused from dressing out one day per nine weeks without getting a deduction from their grade. They must wear their uniforms and tennis shoes to be considered dressed out for PE. Only a note from a doctor will excuse your child (a note from a parent is not excused). A uniform includes a t-shirt and a pair of shorts. The cost for a uniform is \$ 25.00. If you purchase just a t-shirt or just a pair of shorts they will cost 12.50 each piece. Each child has an option to purchase more than one uniform. Please fill out the order form below with a check made out to OPS. We will order a few extra uniforms, but the price will be \$ 35.00 per uniform after MAY 15th. Order now so you will get the promotional price and the correct size. If you wait until after the deadline to order, you are not guaranteed a uniform.

Turn this form in no later than May 20, 2019. Any uniform orders received after May 20, 2019, will cost \$35.00. Any new OPS student will pay \$ 25 per uniform.

Thank you, PE Department Jan Stoudenmire, 803.707.1357
