Dear Parents of the Class of 2019,

Graduation Day for Class of 2018 has come and gone! So, it is time to turn our thoughts to the Senior year for the Class of 2019. The year has flown by, and this time next year you will be saying the same thing about your own Senior. In this letter you will find a plethora of information, so keep it handy and refer to it often as it should answer at least some of your questions.

This summer is a wonderful opportunity for you to visit a few colleges. Please call the office of admissions of the colleges/universities to schedule a visit. While Clemson and Carolina remain our more popular choices, South Carolina has many other wonderful public and private schools - all within a day's journey from Orangeburg. These schools would love to take you on a tour and show off what they are best known for. And don't forget to make an appointment with the Office of Financial Aid. It is amazing what these schools can offer in the way of scholarships. We cannot emphasize enough how important the school visit is. Putting a face with an application can make a world of difference to college admissions counselors. Seniors do have two "college cut" days during the fall semester for school visits, provided official documentation from the Office of Admissions is presented within two days upon return to school.

We have tentatively scheduled a very important Senior Parent Orientation meeting for Thursday, August 9, 2018 at 6:00 pm in the Multi-Purpose Room, Upper Campus. Please mark your calendar as there will be many things on the agenda to discuss.
