

## HONORS PRE-CALCULUS

- Read Chapter P in PreCalculus textbook. The textbook can be accessed at this website: <http://www.phschool.com/webcodes10/index.cfm?wcprefix=aze&wcsuffix=0648&area=view>
- This is all review material, and you should need little more than a refresher.
- Complete problems #6, 14, 16, 18, 20, 21, 23, 25, 28, 34, 38, 42, 46, 52, 56, 58, 61, 62, 67, 81 on pages 66 to 68. I highly recommend you practice by doing some odd-numbered problems first, and checking your answers in the back of the book (you can access answers on the above website.) You will hand in this homework on Thursday, August 13<sup>th</sup>, for your first homework grade. Make sure each problem is clearly numbered, and that your answers are easy to find—I will not go hunting for answers, and will simply count them wrong if they are not clearly marked.
- If you have any questions at any time over the summer, you may email me at [mwaters@orangeburgprep.com](mailto:mwaters@orangeburgprep.com) and I will give you some hints!
- Test on Chapter P will be Monday, August 17, 2020.
